QUOTES

- "Purpose is the place where your deep gladness meets the world's needs." Frederick Buechner
- "If you want to build a ship, don't drum up the men to gather wood, divide the work, and give orders. Instead, teach them to yearn for the vast and endless sea." Antoine de Saint-Exupery
- "Coming together is a beginning, staying together is progress, and working together is success". Henry Ford
- "Purpose is intangible. It is felt and experienced, like a calling. It's what a person means when they say, 'I've found my people'. Purpose is deep, resonant and permeates an environment to create a sense of identification and connection that is so powerful—you would do almost anything to partake. It's a reason for being that inspires and lights you up from the inside." - Stephen Scott Johnson
- "Cat: Where are you going?
Alice: Which way should I go?
Cat: That depends on where you are going.
Alice: I don't know.
Cat: Then it doesn't matter which way you go."
— Lewis Carroll, Alice in Wonderland
