QUOTES

- "Watch what people in power do, and don't do, not just what they say - Henry Mintzberg
- "The day the power of love overrules the love of power, the world will know peace - Mahatma Gandhi
- "The measure of a man is what he does with power" - Plato
- "Power tends to corrupt, and absolute power corrupts absolutely. - Sir John Dalberg-Acton
- "Power is like drinking gin on an empty stomach. You feel dizzy, you get drunk, you lose your balance, and you will end up hurting yourself and those around you if you don't connect your power with humility and tenderness." - Pope Francis
- Life at its best is a creative synthesis of opposites in fruitful harmony. [...] It is pretty difficult to imagine a single person having, simultaneously, the characteristics of the serpent and the dove, but this is what Jesus expects. We must combine the toughness of the serpent and the softness of the dove, a tough mind and a tender heart. -Martin King, A Testament of Hope : The Essential Writings and Speeches of Martin Luther King, Jr., 1st HarperCollins pbk. ed. (San Francisco: HarperSanFrancisco, 1991).
